Card on File

Starting JUNE 15TH, ALL Caswell Customers are required to have a card on file. You do not have to use this card for reservations. This is in reflection of the new cancellation policy

Cancellation Policy

No Shows:

"No Shows" are labeled for players who do not show for their reservation without any communication and they will follow the same rules as the late cancellation policy.

Late Cancellations:

Cancellations are only accepted through phone call. We do not accept cancellations via email. If you are not able to connect with someone on the phone, please leave a voicemail or keep trying.

Cancellations will be accepted up to One hour before reservation begins. Example: If my reservation begins at 1:00pm, I have until 12:00pm that day to cancel. Any cancellations after the one hour window will still be marked as a "Late Cancellation", but the court will still be available for another person to book.

Late Cancellation/No Shows will follow the procedure below:

- 1st No Show - Verbal Warning, marked in our record
- 2nd No Show - Written warning
- 3rd No Show - Automatic charge to account.

*Please note that charges will be made based on the reservation type.

- 1hr - 1 1/2 hours=singles = \$10 charge
- 2 hours=doubles= \$20 Charge
- 1/2 hour- \$5 Charge

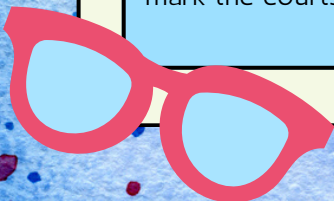

Ball Machine No Show:

Since we only have one ball machine, and it is limited to courts 5-8, patrons must put a card on file when reserving a ball machine.

A No Show without any prior communication or a late cancellation (after the two hours leading up to reservation) will result in a charge of a court fee + ball machine fee.

Weather:

Texas weather is unpredictable. If there is any suspicion of rain, please call the pro shop to check on court conditions. If you would like to cancel your court after the one hour window, you can do so without any penalty. If there is bad weather, the pro shop will mark the courts as "Rain Out" and the "no show" policies will not be enforced.
